# CLC FRAGRANCES

## FRAGRANCE PHILOSOPHY

At Cosmetic Labs Canada, fragrance is more than scent. It is identity, memory, and emotional connection. We develop fragrances that perform beautifully in body care, hair care, home fragrance, and personal care formulations. Each blend is designed for stability, clarity, and lasting impression across multiple product bases. Our collection balances modern consumer trends with timeless profiles, ensuring your brand offers fragrances that feel elevated, relatable, and commercially successful. Every scent is crafted to inspire confidence, comfort, and brand loyalty.

---

---

# CORE FRAGRANCES

Our Core Collection features our most loved, most requested fragrances designed for versatility across body care, home fragrance and private label lines. These scents deliver strong performance, balanced character and broad appeal, making them ideal for signature brand development and everyday luxury products.

---

## **Madagascar Vanilla & Coconut Husk**

**\*Available only in the hair line or with a 5-gallon kettle minimum purchase.**

A warm, creamy scent with rich vanilla sweetness balanced by the soft, earthy warmth of coconut husk. Smooth and comforting, it has a lightly toasted, sun-kissed character that feels cozy, subtle, and gently tropical.

## **Green Tea & Pear**

**\*Available only in the pet line or with a 5-gallon kettle minimum purchase.**

A fresh, uplifting scent that blends the crisp brightness of pear with the clean, calming notes of green tea. Lightly fruity and softly botanical, it creates a refreshing aroma that feels airy, smooth, and naturally revitalizing.

## **Vanilla Nocturne**

A decadent expression of vanilla at its most intoxicating. Silken cacao and polished tonka bean melt into smoky tobacco blossom, creating a fragrance that feels rich, enveloping, and quietly powerful. Deeply warm with refined sweetness, this scent lingers with effortless sophistication.

## **Orange Blossom & Marshmallow**

Radiant orange blossom unfolds with luminous clarity, softened by airy marshmallow and delicate honeysuckle. Neroli brings brightness while amber adds a golden glow beneath the surface. Elegant yet comforting, this fragrance feels light as silk with a warm, romantic finish.

---

## **Brazilian Crush**

Sunlit pistachio and almond open with creamy indulgence before jasmine blooms softly at the heart. Caramel and sandalwood settle into a smooth, skin like warmth. Sensual and addictive, this fragrance captures golden skin, warmth, and understated glamour.

## **Bibliotheque**

Ripe peach and plum introduce a soft sweetness that unfolds into violet and supple leather. Patchouli and vanilla add depth, while musk leaves a velvety trail. Sophisticated and intimate, this fragrance evokes polished wood, worn pages, and modern refinement.

## **Wood Sage & Sea Salt**

Mineral sea salt drifts through fresh sage and bright grapefruit, lifted by the subtle warmth of ambrette. Clean yet complex, this scent captures coastal air and quiet elegance. Crisp, airy, and effortlessly refined.

## **Pink Sugar**

Luminous citrus and ripe strawberry sparkle at the opening before melting into soft florals and creamy vanilla. Tonka bean adds depth, transforming sweetness into something refined and addictive. Playful at heart, yet polished and elevated.

---

---

# MASCULINE COLLECTION

The Masculine Collection is built around clean woods, warm ambers and refined freshness. Designed to feel confident and modern, these fragrances offer depth without overpowering, making them perfect for grooming and elevated men's product lines.

---

**BR540**

Delicate jasmine and golden saffron open the fragrance, flowing into a heart of ambergris and warm amber wood. Rich, luminous, and sensual, a modern, refined edge.

### **Mahogany Teakwood**

Smooth mahogany and teakwood intertwine with hints of lavender and geranium, layered over cedar and oak. Earthy and comforting, this fragrance evokes polished wood and confidence.

### **Black Tie & Bourbon**

Bright bergamot and smoky oak lead into a rich blend of tobacco, vanilla, cacao, and tonka bean. Warm, indulgent, and alluring, this scent conjures leather chairs and timeless sophistication.

### **Happy Men**

Fresh, invigorating notes of light florals and clean musk create a crisp, masculine fragrance reminiscent of Cool Water. Bright and versatile, this scent feels effortlessly balanced.

---

---

# KIDS COLLECTION

Our Kids Collection is playful, sweet and full of personality. These lighthearted fragrances are designed to bring fun to bath, body and novelty products while maintaining smooth performance and approachable sweetness that customers instantly recognize.

---

## **Cereal**

Zesty lemon, lime, grapefruit, and orange mingle with soft lavender and creamy vanilla, finished with sweet corn cereal notes. Bright, cheerful, and nostalgic.

## **Birthday Cake**

Rich vanilla buttercream and golden caramel blend into a sweet, festive aroma. Warm, indulgent, and joyful.

## **Orange Cream**

Juicy orange, pineapple, and ripe peach swirl into smooth vanilla for a creamy, fruity delight. Sweet, tangy, and whimsical.

## **Banana**

Ripe banana shines in a simple, cheerful scent that's sweet, soft, and instantly familiar. Fun, lighthearted, and perfect for kids of all ages.

## **Monkey Farts**

A silly, fruity blend of banana, strawberry, kiwi, and grapefruit, finished with a hint of bubble gum.

---

---

# THE APOTHECARY COLLECTION

The Apothecary Collection features premium essential oil blends crafted for spa inspired, wellness focused formulations.

These blends highlight natural aromatics with clarity and balance, ideal for clean beauty lines, therapeutic products and elevated self care collections.

---

## **Eucalyptus Peppermint**

Cooling eucalyptus meets refreshing peppermint for an invigorating, clarifying aroma. Crisp, uplifting, and revitalizing, perfect for moments of focus and energy.

## **Bergamot Chamomile**

Bright bergamot softens into calming chamomile, creating a balanced, soothing scent. Gentle, comforting, and harmonious, ideal for relaxation and tranquility.

## **Grapefruit Spearmint**

Juicy grapefruit and fresh spearmint mingle in a vibrant, energizing blend. Light, zesty, and refreshing, this scent awakens the senses and brightens any space.

## **Lavender Lemongrass**

Classic lavender blends with zesty lemongrass for a fresh, calming aroma. Clean, serene, and uplifting, perfect for unwinding or creating a peaceful atmosphere.

## **Cedarwood & Orange**

**\*Available only in the mens line or with a 5-gallon kettle minimum purchase.**

A warm, grounding scent of cedarwood softened by bright, zesty orange, creating a comforting yet invigorating aroma.

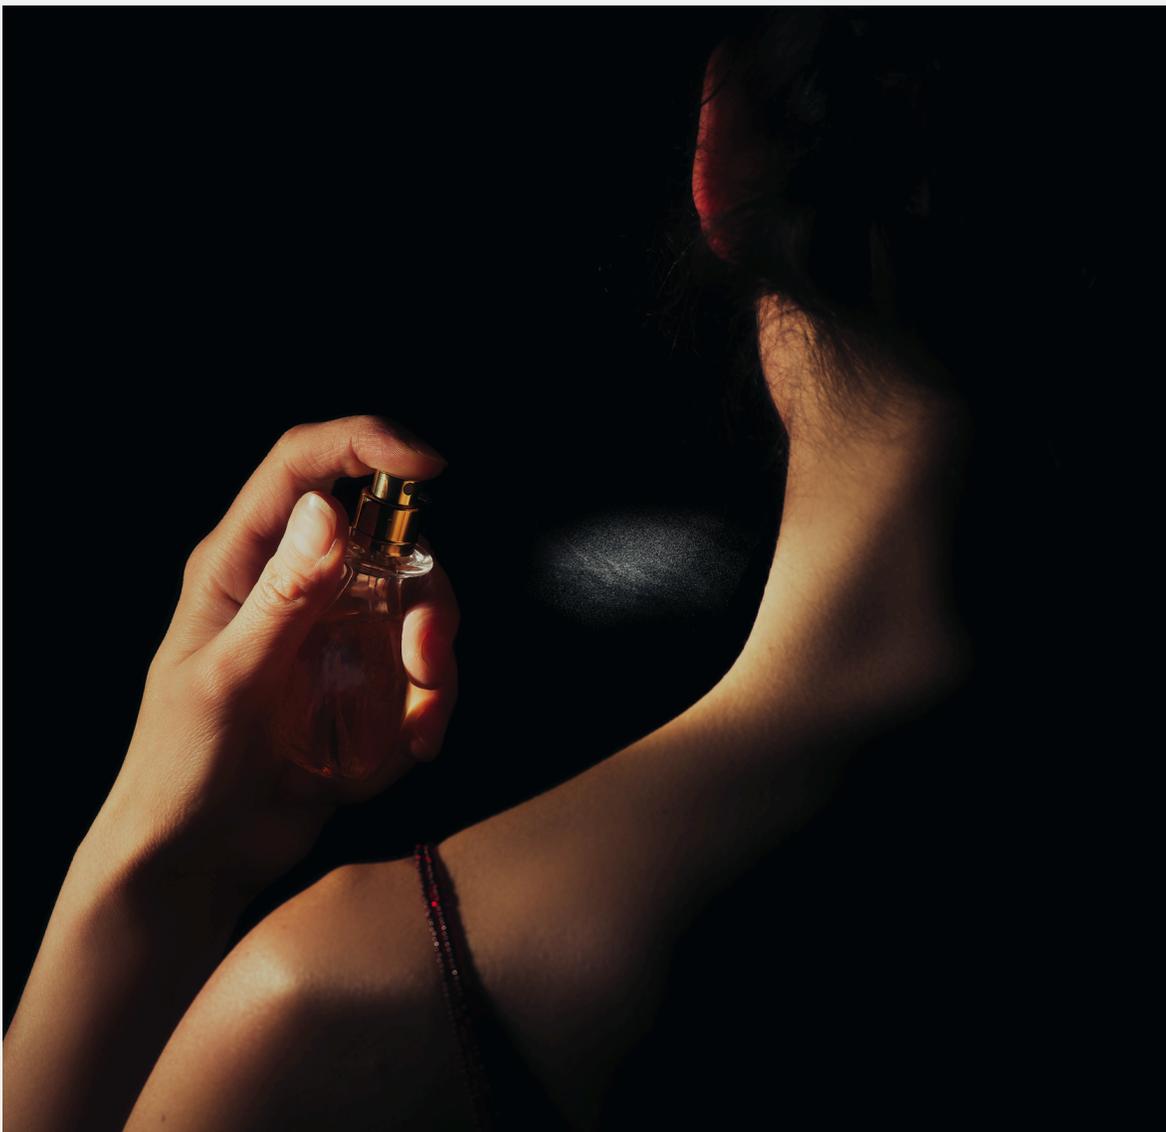

---

---

# SEASONAL FRAGRANCES

Our Seasonal Fragrances are curated to reflect the mood and energy of each time of year. From fresh spring florals to warm holiday indulgence, these limited releases allow brands to stay relevant, trend driven and commercially exciting throughout the calendar year.

---

## SUMMER

**Tiki Room** – Juicy pear, raspberry, and apricot with a floral twist.

**Cactus Bloom** – Coconut, apricot, and cactus flower with soft amber.

**Hawaiian Ginger** – Fresh ginger, cantaloupe, and tropical plumeria.

---

## FALL

**London Fog** – Earl Grey with creamy notes.

**Butter Toffee + Pecan Crisps** – Sweet, buttery caramel meets crunchy pecan.

**Sweet Vanilla Chai** – Warm spices layered over smooth vanilla.

---

## Winter

**Frothy Nog + Rumfire** – Creamy eggnog with a hint of warm rum.

**Warm Clove + Orange** – Spicy clove brightened by zesty orange.

**Frosted Vanilla** – Sugary vanilla with a playful, baked aroma.

**Gingerbread Swirl** – Spiced gingerbread with a touch of sweetness

---

# CUSTOM FRAGRANCES

Create a Signature Scent That Defines Your Brand

At Cosmetic Labs Canada, we specialize in tailored fragrance solutions designed to elevate your product line and maintain brand consistency. Whether you're building a new scent from scratch or matching an existing formula, our team provides flexible options to suit your needs.

# CUSTOM BLEND

## **Custom Essential Oil Blends**

Custom blends starting at \$80  
Minimum Order Quantity 250 mL

Each custom blend includes a consultation to define your desired scent profile and intended application, followed by personalized formulation and small batch production with a 250 mL minimum.

# CUSTOM FRAGRANCE

Minimum Order Quantity (MOQ): 1 Gallon

Have a specific scent vision in mind? We'll create a fragrance tailored to your brand identity and target market. Developed from your scent brief, each fragrance is refined to reflect your vision and thoughtfully designed for seamless scalability in production.

# SUPPLY YOUR OWN FRAGRANCE

Clients may supply their own fragrance for use in manufacturing. Simply ship your fragrance oil directly to us, and we will evaluate all customer-supplied materials for compatibility and performance within your chosen formulation before seamlessly incorporating it into production—an ideal solution for established brands with proprietary formulas.

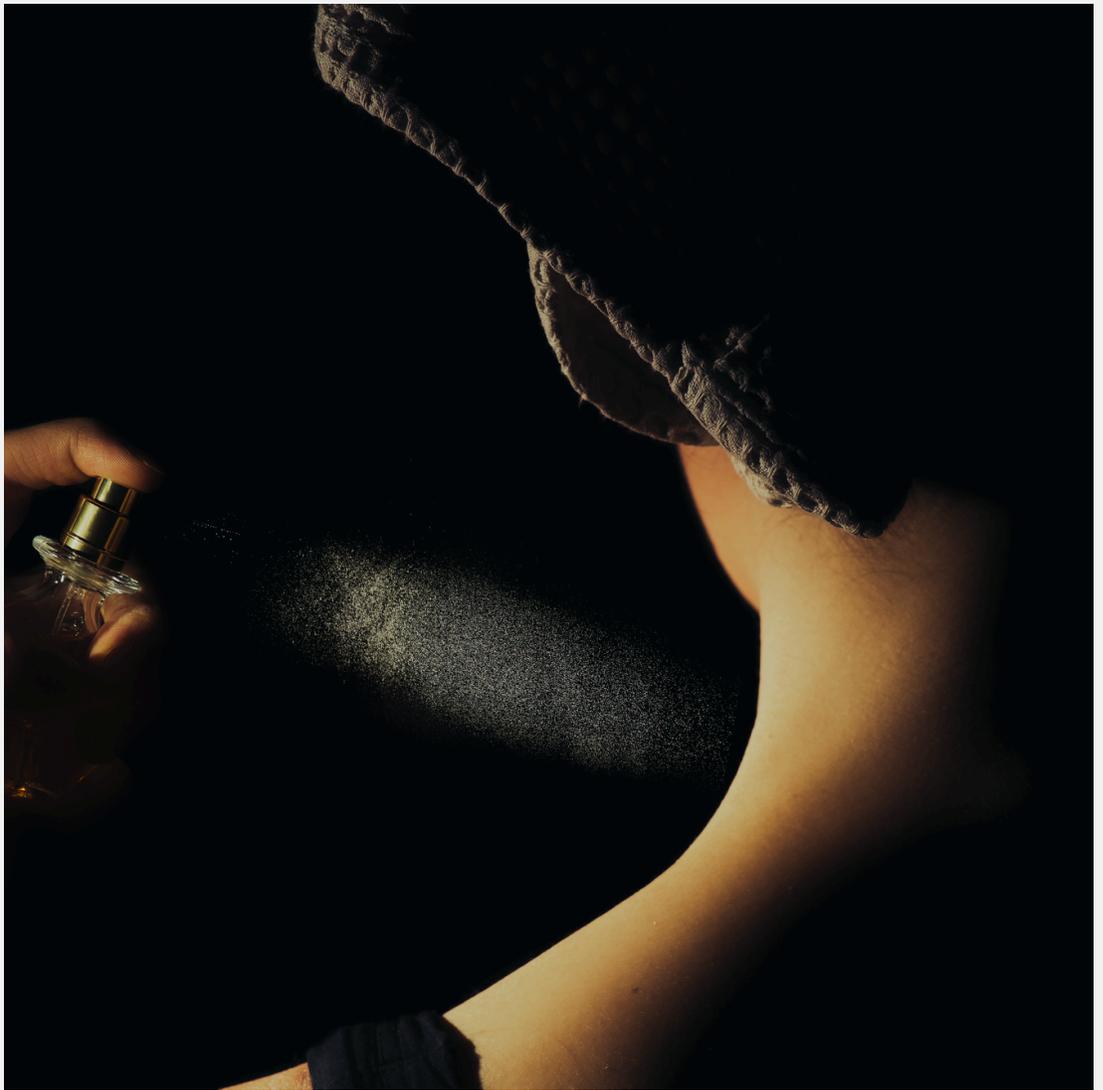

---

# CUSTOM FRAGRANCE KETONES

Minimum Order Quantity (MOQ): 1 Gallon
